Song Requests:

One of your artist's strengths is determining what song to perform at the right time. If there are any songs that you do not want the band to play please keep it to a minimum.

*(For bands only): The band is happy to take a request to learn a song to be used for a special dance per approval by the band leader. Certain requested material may not be

feasible for the band to produce. If you would prefer to hear the original recording of songs, please provide them on an iPod or CD. To confirm any request, please specify verbally with your agent or the band leader directly.
